Respected Sir,

In obedience to letter No P 4546/Legis 24-2/3 dated the 27th February 1930 from the Secretary to the Government of His highness the Maharaja of Mysore Law Department, Bangalore and in continuation of our letter No 174A dated 21-3-30, I beg to state that the undermentioned local bodies have since issued notices xxx claiming ground rent from passing buses in their respective areas. This unlimited multiplication of claims by local bodies on the routes, in addition to the already heavy levies by the Government, is too severe a strain on the bus owners, and the Association prays that Government may kindly direct the bodies concerned i.e., the Town Municipal Council, Seranapatam, Mandya, Channapatna, Nagamangala and Melkote and the Assistant Engineer, Irwin Canal Sub Division, Krishna Fajasagara, not to press such claims.

The question of dues payable by bus owners is likely to be settled in the forthcoming revision of bus traffic rules for which a Committee has been appointed by Government. It seems but proper that the local bodies might well wait till then instead of harassing bus owners as they are doing now.

I have the Honor to be,

Sir,

In submitting herewith the resolution No 5 of the Managing Committee of the Mysore District Automobile Association, Mysore held on 24th Jan. 1930, I have the honour to bring to the notice of the Government that Municipalities of towns through which buses pass insist on the payment of ground rent for buses so passing though the buses do not go and start any special enclosure provided by such Municipalities. The road access for roads either provincial or District Board on which the buses pass will have been paid in obtaining the licence and the Municipalities which have incurred no manner of expense in making arrangement for the convenience of such buses are not entitled to any tax on buses which pass along Provincial or District Board roads which happen to pass through those towns. The Association prays that the buses should be required to pay only when the Municipalities have provided suitable stands for the buses and that the buses utilize such stands in their journey.
